### DESCRIPTION OF INNOVATION

Learning through plays is a term used in education and psychology to describe how a child can learn to make sense of the world around them.

Easy Learning Box (ELB) was created specifically for children aged three to five years. ELB was created to speed up the learning process of children in away that can interest them like play.

ELB will make them interest to get them learn about alphabets, shapes, colours and writing. We use magnetic board, wood puzzles and hydrophobic sand.

### INNOVATION IMPACT

### OBJECTIVE

To produce Easy Learning Box (ELB) for kids early childhood education.
